1. The President of the United States was assassinated in Dallas, Texas and Lyndon JOHNSON is now President.
2. The following message was received from CINCLANTFLT: "With profound sorrow CINCLANTFLT directs mourning for President Kennedy in accordance with Navy Regulation". (The national ensign and jack will be half-masted for a period of 30 days).
3. All hands are advised to NOT rent motorcycles or motor scooters in St. Thomas. Several SAMPSON personnel have had severe injuries and broken bones due to escapades on these vehicles. There is plenty to do on liberty besides unduly risking life and limb.
